Foreword

Many faces make up Halifax County High School . . . faces that mature from the first day of high school to Graduation Day . . . happy faces of the ones who have just made good scores on a test and of the team members who have just scored a victory . . . sad faces of the departing seniors . . . inquiring faces of students in the classroom . . . enthusiastic faces of the many fans who supported the Comets' Western District championship basketball team . . . the face of the building itself . . . all these things make up the HALISCOPE '60, THE FACE OF HALIFAX COUNTY HIGH SCHOOL.

LEARNING

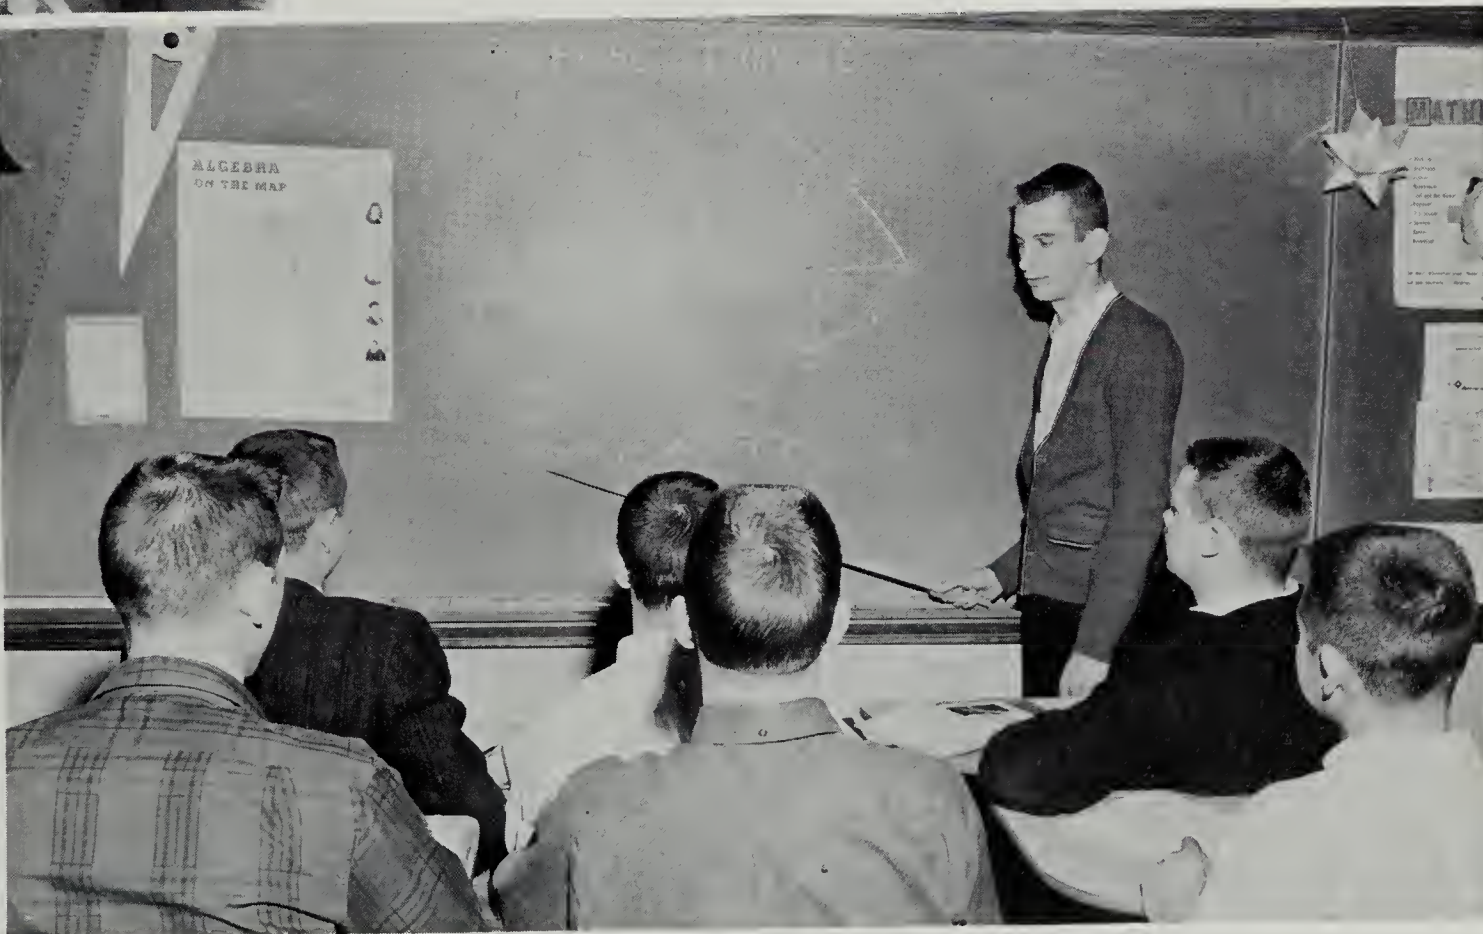

Eighth graders Jimmy Hinton, Robert Llewellyn, and Frank Booker distill water in their advanced science class. General science, biology, chemistry, and physics are in the science curriculum at H.C.H.S.

Learning is the most important face of Halifax County High School. Although it occurs in all school activities, learning is found primarily in the classroom. This comprehensive high school offers over seventy subjects in both academic and vocational areas. Here a student may learn to appreciate the art of salesmanship as well as the art of a Shakespearean sonnet.

This year many students could elect three new courses, economics for seniors, a combination English and journalism for juniors, and Spanish for eighth and ninth graders. So that their needs might be better met, students were grouped according to ability in English and social studies classes. These innovations, plus the strengthening of the regular curriculum, proved that learning at Halifax County was indeed the first and foremost concern.

Phillip Roark explains a difficult solid geometry principal to the class. The math department at H.C.H.S. offers a varied program to the students. In addition to the more advanced courses, general math, business math, plane geometry, and two years of algebra are offered.

These mechanical drawing students hard at work illustrate but one of the many phases of industrial arts. In the shop, students learn to work with wood, metals, and leather.

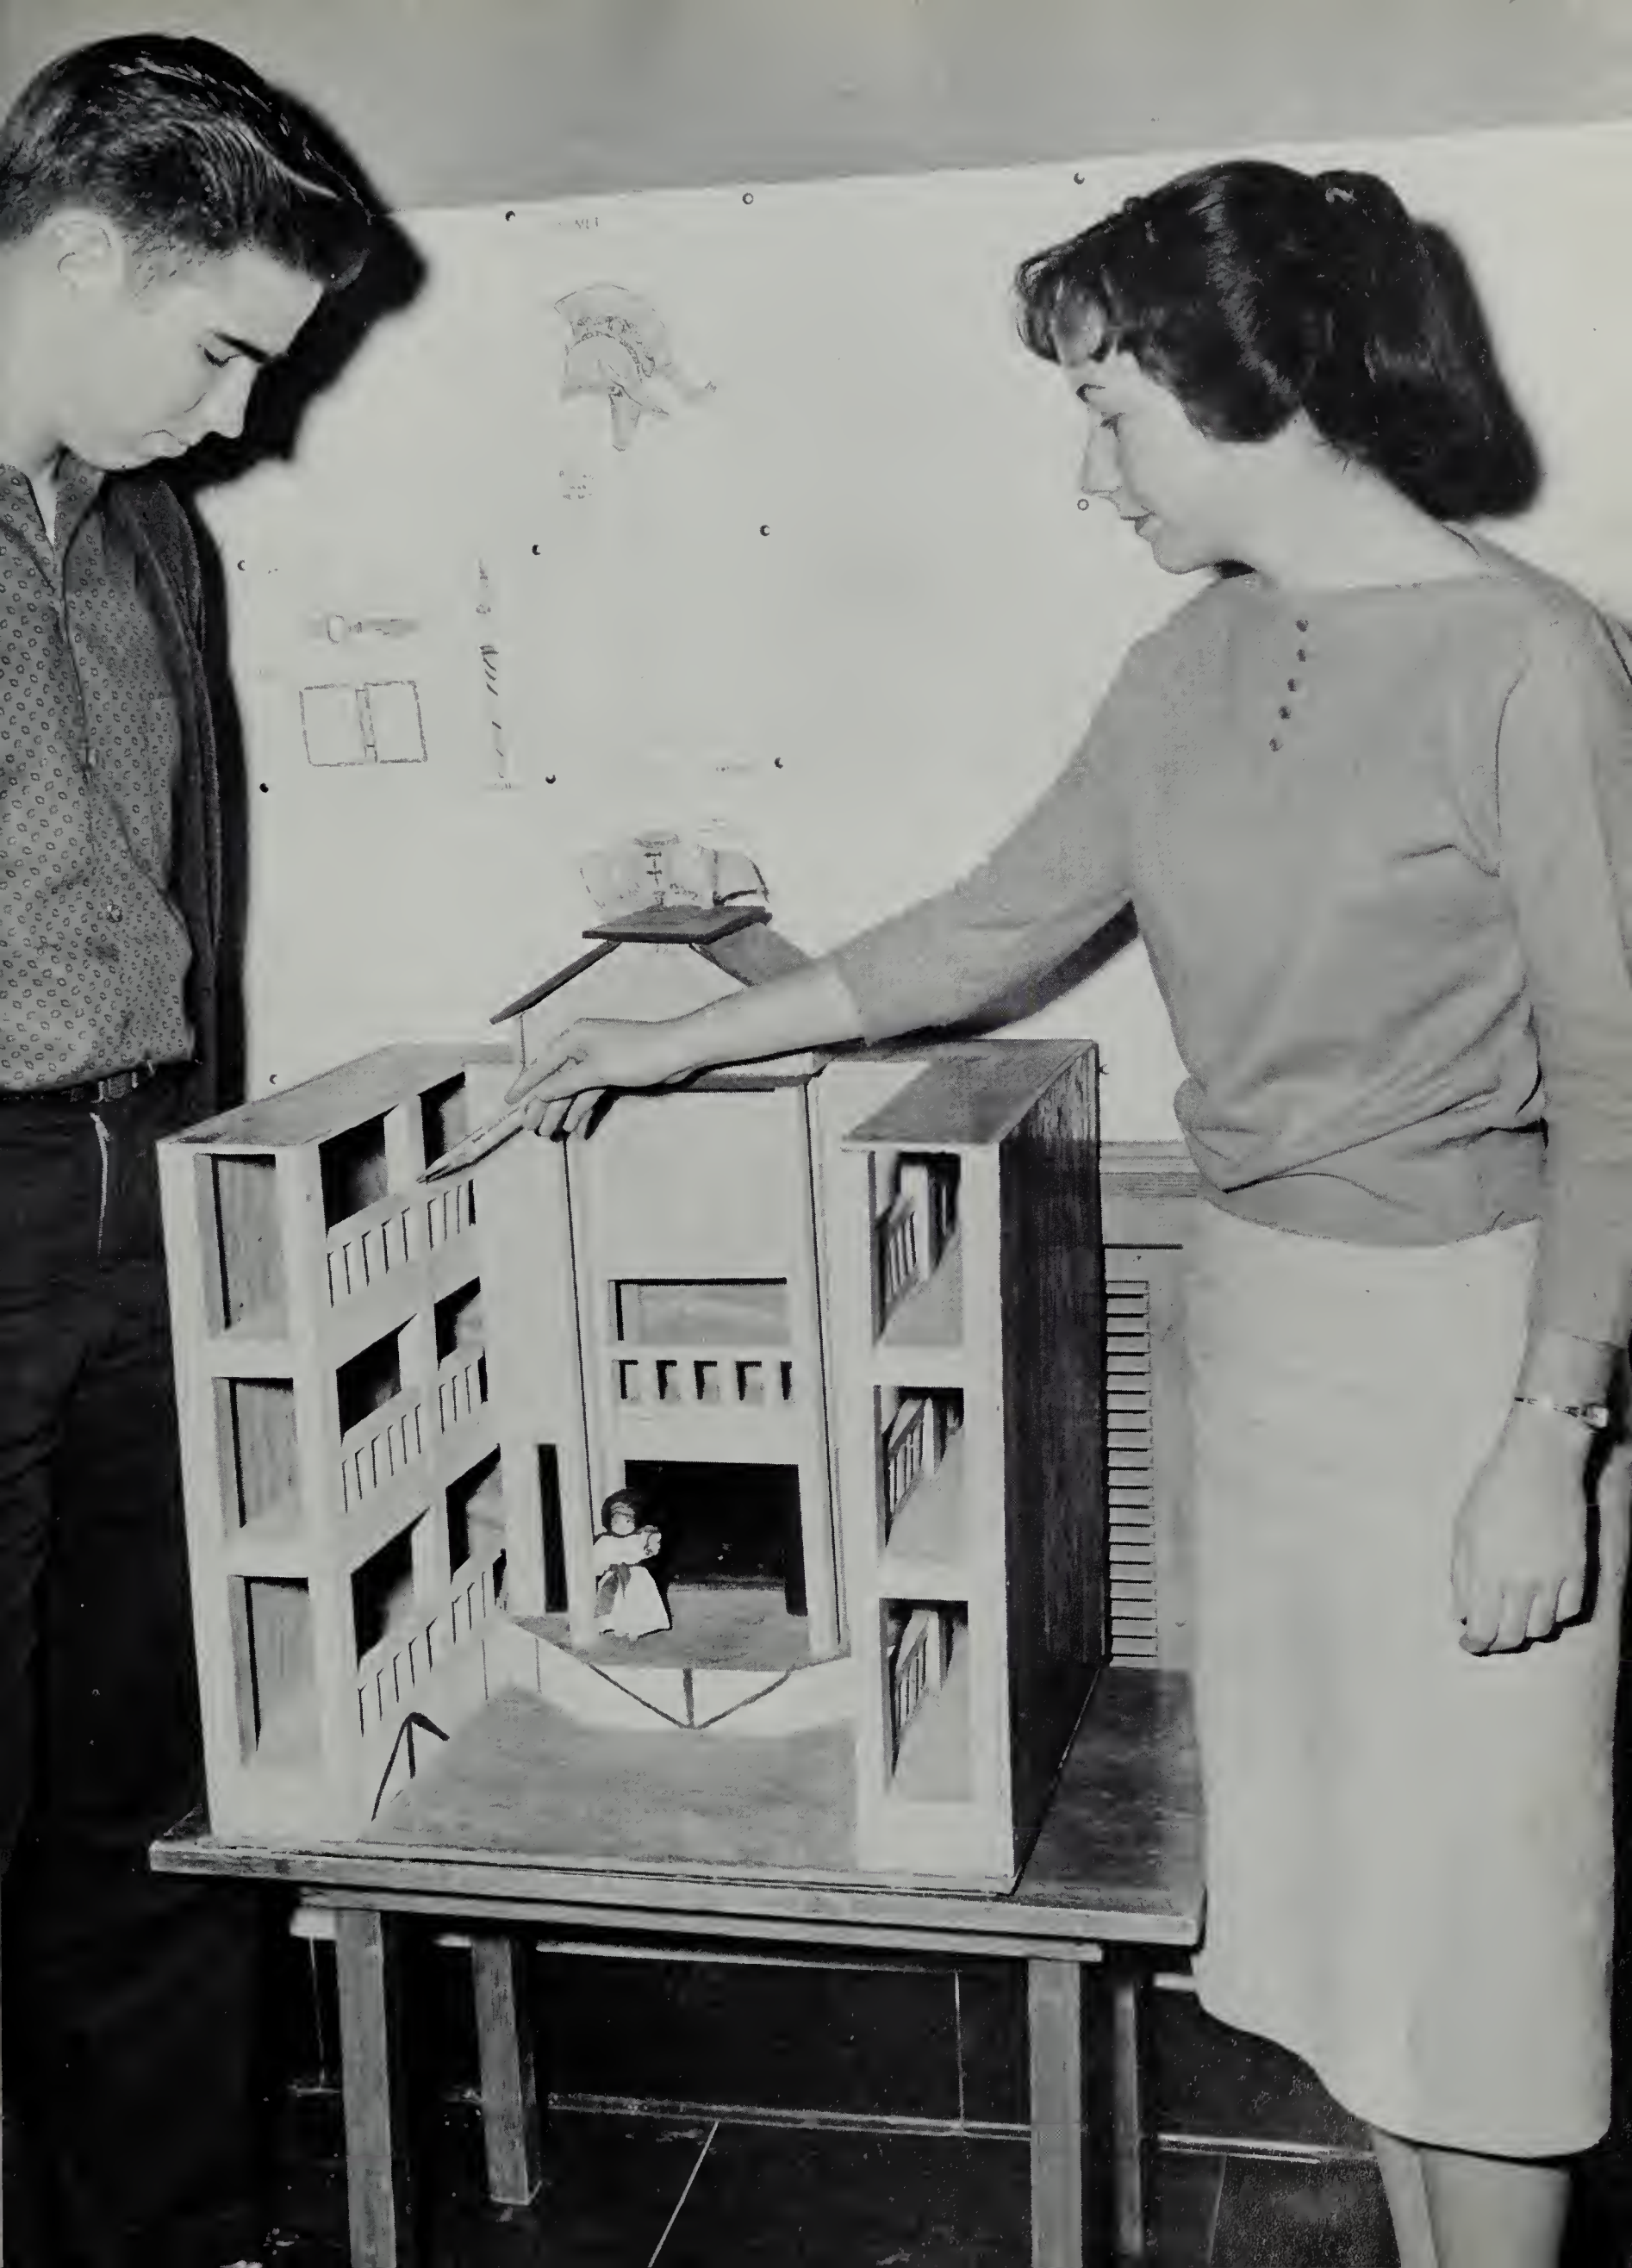

Beginning this year, eighth graders may begin a five year study of Spanish. Sharon Cassada and Russell Lindley develop proficiency in speaking by using the newly acquired tape recorder. Two years of both Latin and French are also offered by the Foreign Language Department.

Marion Guthrie and Sara Long, two senior home economics students, put into practice what they have learned about sewing. Girls also study good grooming, etiquette, and cooking.

Literature is an important part of English courses. Sophomore Ruth Whitefield points out a detail of the Shakespearean theatre to a classmate Jimmy Gravitt during a discussion of "Julius Caesar." Grammar and composition are also stressed in the five years of English required for graduation.

Dwight Greene and Jeanette Lacy arrange a bulletin board for their government class. Government, a required course, is taken by all seniors after they have completed a year of Virginia and United States history. The Social Studies Department also offers eighth grade history, civics, geography, world history, sociology, and economics.

Typing, general business, bookkeeping, shorthand and office training are taught by the Business Education Department. In the above picture Louis Cabiness, Carol Conner, and Judy Conner operate the mimeograph machine.

Mrs. Paulita Patterson's sixth period class enjoys a game of softball, one of the spring sports in the curriculum of the Physical Education Department. Two days a week, physical education classes study health.

D. E. student Sara Long examines a diamond ring at a local jewelry store where she is employed. Students enrolled in the Distributive Education program work part time under the supervision of their coordinator. They receive on-the-job training which prepares them for work after graduation.

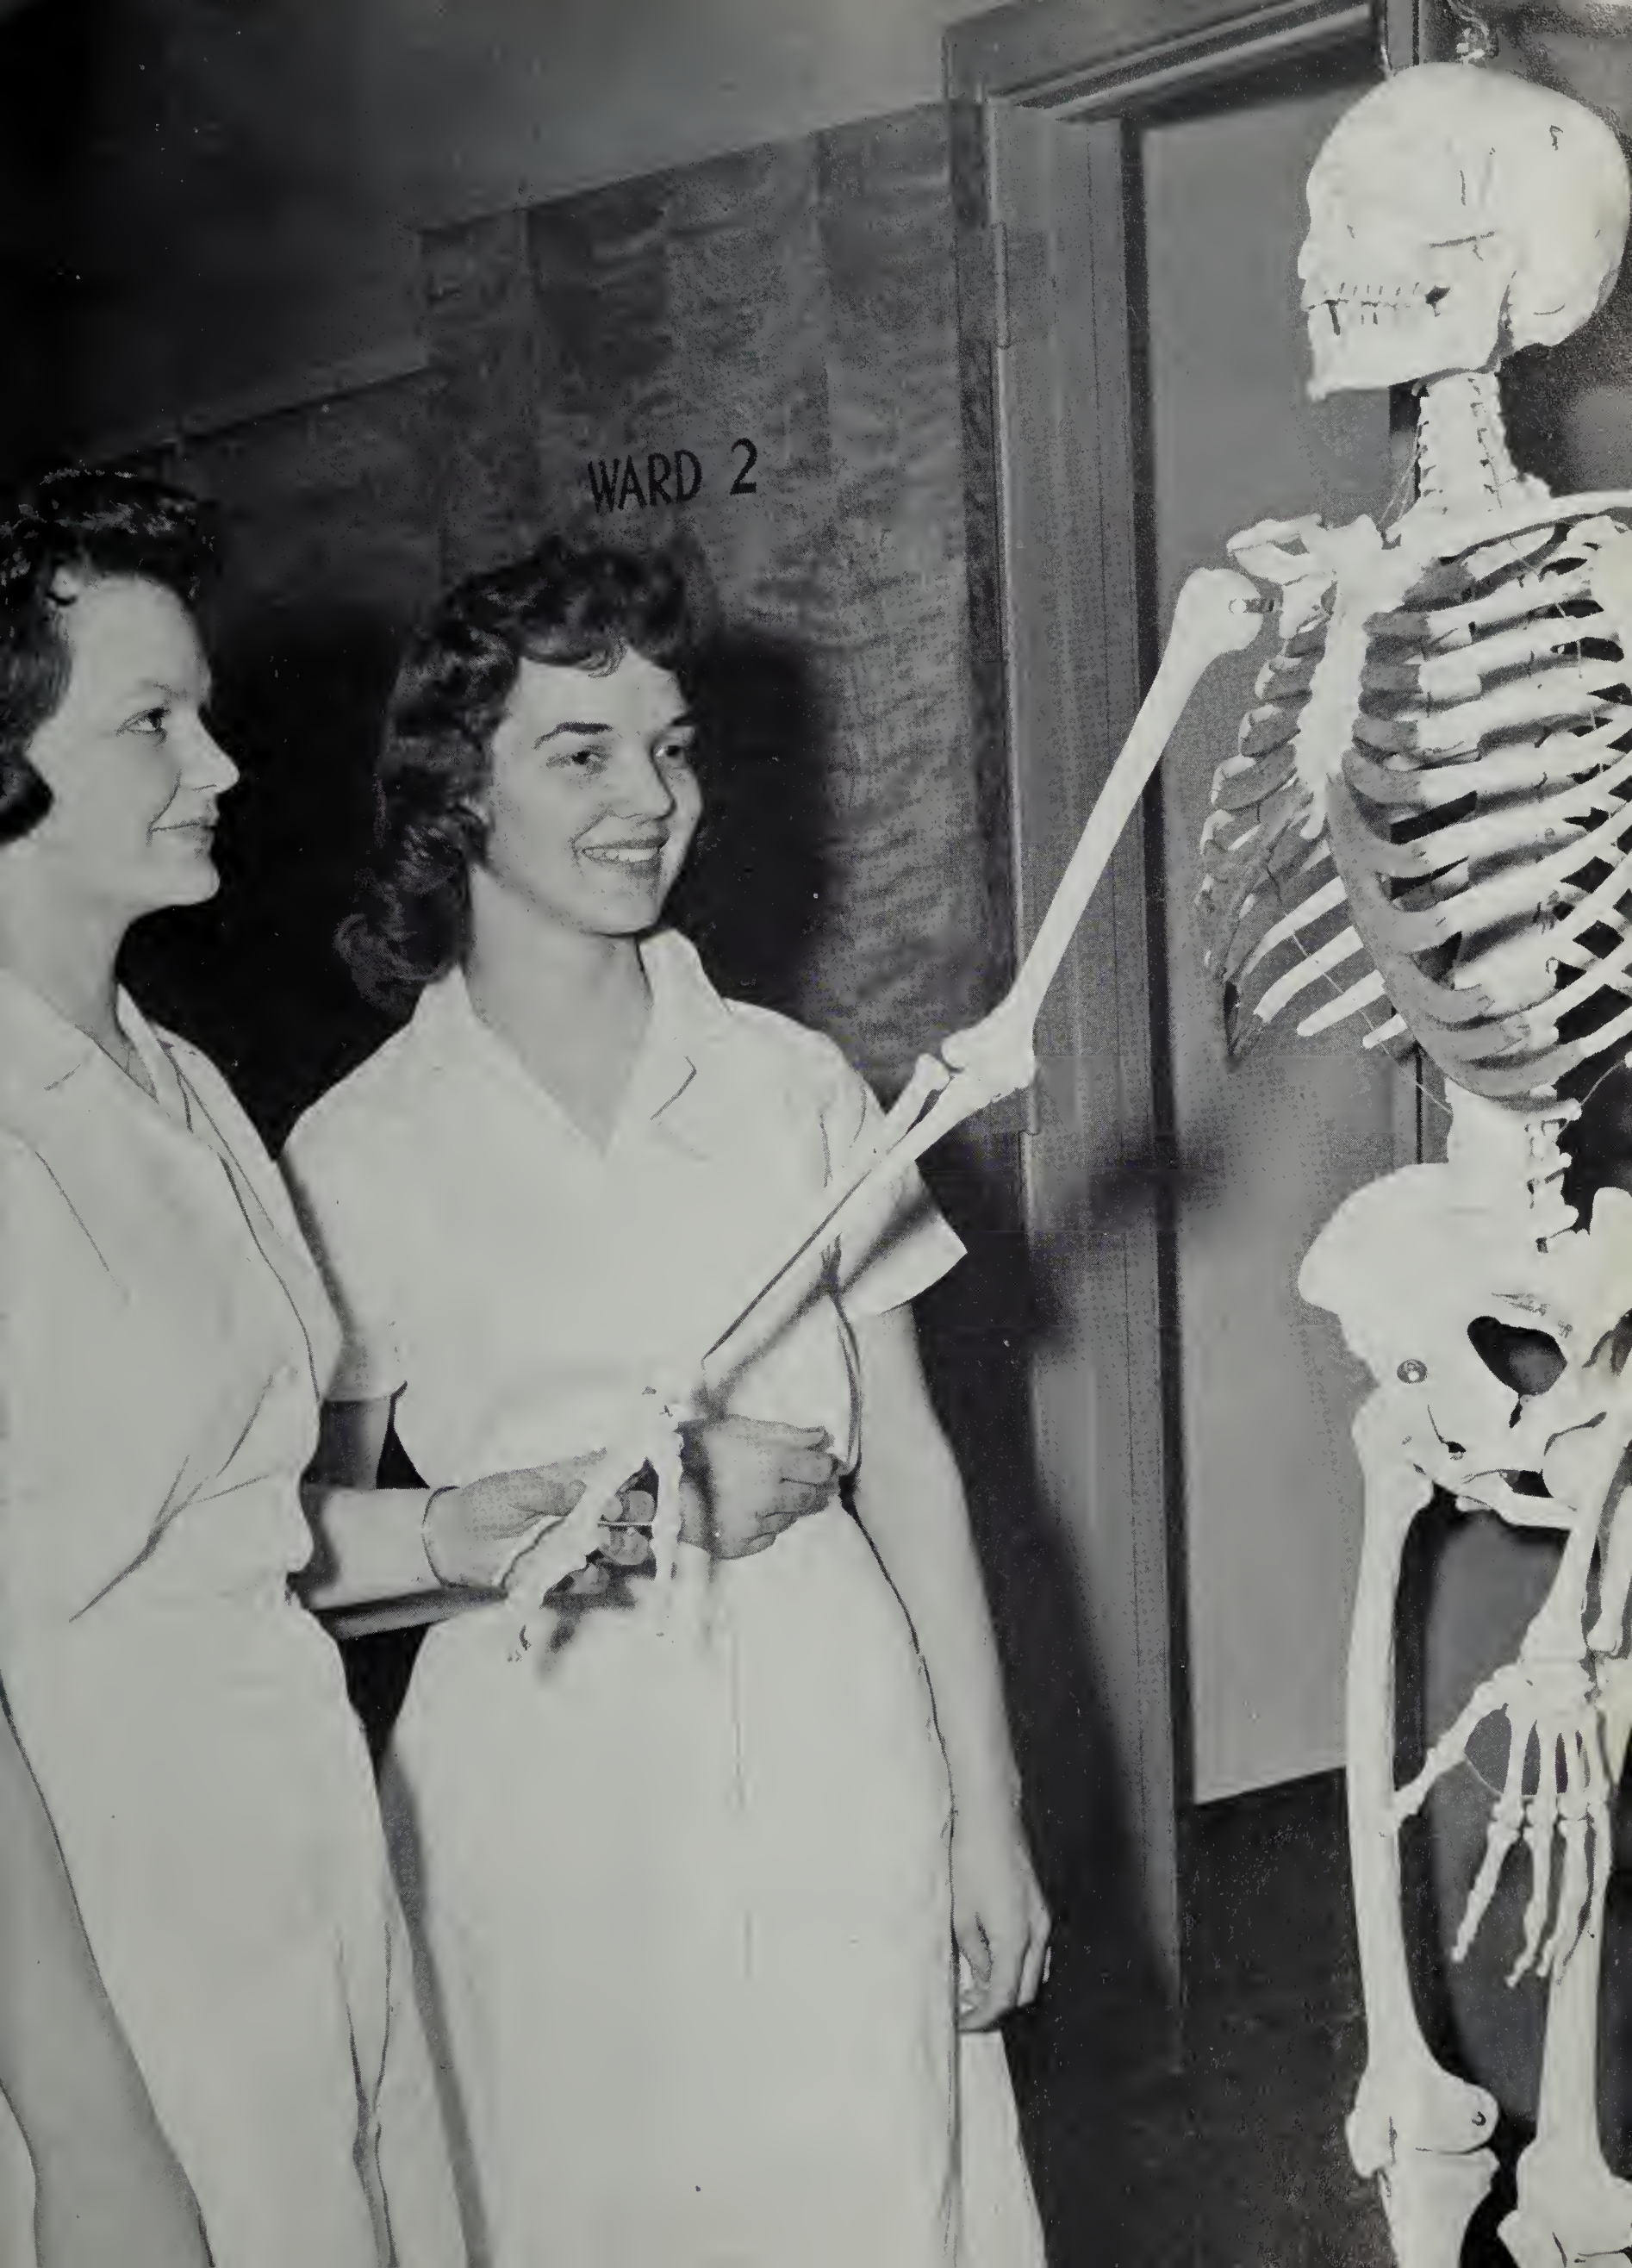

Aubrey Glass and Wayne Smith repair a damaged automobile brought to the shop where they work. Like other D. O. students, both boys attend regular school classes for half the day and work the other half in occupations which do not deal with the distribution of goods to consumers.

Dwight Greene, Ronald Irby, Jimmy Watts, David Tuck, and Pat Byron work with abstract as well as traditional art. Eighth graders may take a half-year introductory course in art, and students in other grades may elect a full year.

Faye Glasscock and Eleanor Powell, members of the practical nursing class, shake hands with "George." In their nine months' course, practical nurses at H.C.H.S. learn nursing from the inside out.

WARD 2

The Concert Band is deep in concentration at a practice session. There are three bands at H.C.H.S: a beginners band, a marching band, and the Concert Band.

Two members of the chorus, Mary Berkley Green and Betty Byrd Gunn, rehearse for All-State Chorus. This year the chorus has been divided into the eighth grade chorus, a mixed chorus, and a concert choir.

Vocational agriculture students learn the old methods as well as the new in the shop. In the above picture the boys at the left make use of the forge, while the group at the right use the more modern electric welding machine. Out of doors, agriculture classes study modern farm methods including proper care of livestock and raising of crops.

Nursing Class

Eva Jean McCulloch, one of seventeen members of the first graduating class of practical nurses at Halifax County High School, receives her certificate from Principal J. Marshall Swanson. The ceremony took place March 1, 1960.

The practical nursing course consists of nine months of basic study at Halifax County High School taught by Miss Ruth Phillingane. In addition to this, the class spends several months in practical training at Halifax Community Hospital with Miss Ruth Grover as instructor.

The practical nursing training program here has received full accreditation from the State Board of Nurse Examiners.

Junior Class officers are (standing) Meredith Carter, secretary; Eddie Royster, president; Ginger McKinney, reporter; (seated) Cecil Murray, sergeant-at-arms; Eddie Powell, treasurer; and Sonny Victry, vice-president.

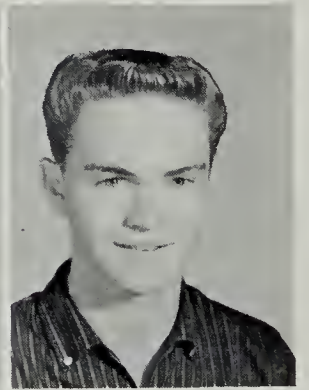

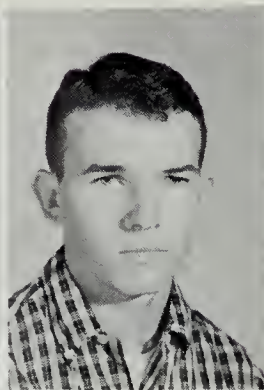

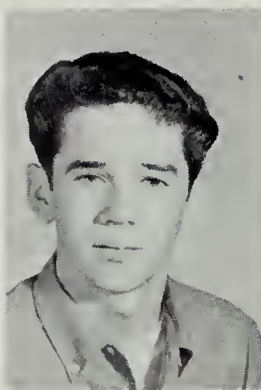

In the eleventh grade, students are first considered upper classmen. They take on more responsibilities, and become eligible for many honors such as the National Honor Society.

This year's Junior Class experienced an eventful 1959-60. Early in the year the class presented their assembly, the "Arthur Murray Dance Party", to raise money for the Junior-Senior Prom. Other money-raising projects the juniors carried out were selling blue-and-white shakers at ball games, and calendar towels at Christmas time and sponsoring a dance after a football game. The climax of their year was the Junior-Senior on May 6. On that night juniors, seniors and their dates danced in the "Exotic Land of the Orient" amid cherry blossoms and Japanese lanterns.

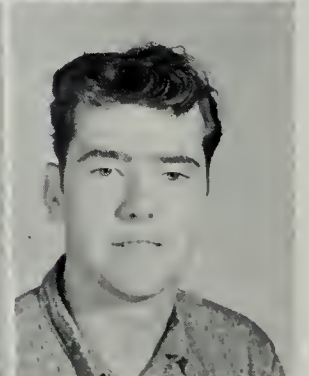

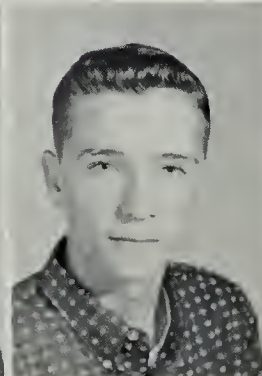

Nine sponsors guided the juniors through their busy year. The sponsors are Miss Virginia Hunt, chairman; Mrs. Mary McLaughlin, vice-chairman; Mr. Richard Fitz, recorder; Mrs. Dorothy Crews; Mrs. Charlotte Farmer; Mrs. Mary Glascock; Miss Glenn Nowell; Miss Carolyn Massengill; and Mrs. Lois Swanson.

The national testing craze swept over H.C.H.S. this year. In the fall all students took the School and College Ability Test (SCAT) and the Sequential Test of Educational Progress (STEP). During the school term, eighth graders took the Iowa Silent Reading Test and juniors and seniors took the Preliminary Scholastic Aptitude Test, College Boards, and the National Merit Test. Students are shown above studying the results of their SCAT and STEP tests.

Sophomore Class officers are (first row) Jerry Dodd, president; Nancy Woltz, secretary; Lorraine McKinney, reporter; (second row) Mike Cates, treasurer; Ronnie Keatts, vice-president; and Jimmy Glidewell, sergeant-at-arms.

The tenth grade is the halfway mark at Halifax County High School. At this point in high school life, the class begins to produce class and school leaders. In their sophomore year, students begin to feel a real class unity.

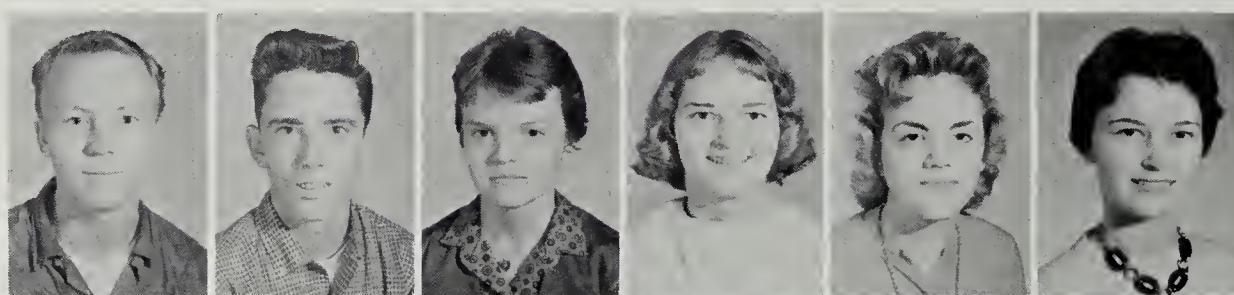

A number of sophomores participating in the accelerated program are taking chemistry and second year algebra. This is another of the many "firsts" in Halifax County's curriculum.

The Class of 1962 was looking forward to its junior year when it presented an assembly, "The Jack Parr Show" to the student body in April. The proceeds from this assembly will be used to help finance their Junior-Senior Prom. On the social side of the picture, sophomores and their dates enjoyed the class party in March.

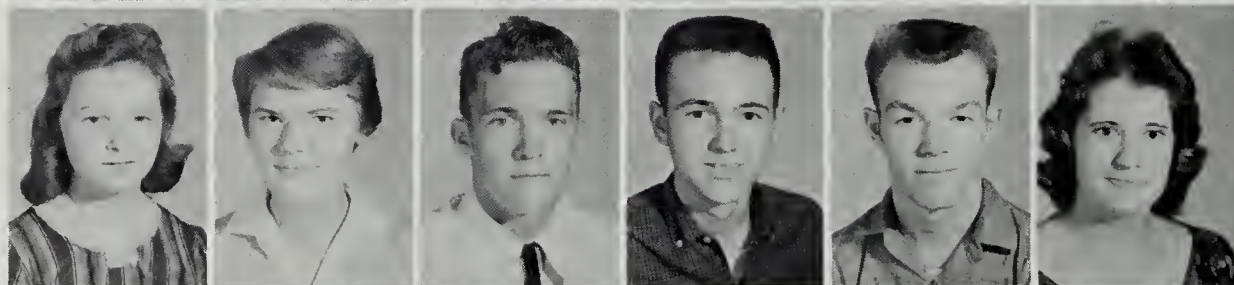

Sponsors of the Sophomore Class are Mrs. Bernice Brinkley, chairman; Mrs. Rosalie Powell, vice-chairman; Miss Jennie Wagner, recorder; Miss Olivia Chaney; Mrs. Dorothy Cheatham; Miss Margaret Fuller; Mrs. Glennis Greenwood; Mrs. Vera Hrusoff; Miss Carolyn Reid; Miss Erna Shotwell; and Mrs. Rosa Lee Sizemore.

During Latin Week this year, these students were chosen by their classmates as the ones who best carried out the spirit of the week. They are Gayle Harmon, Deanna Talley, and Mary Berkley Green.

These empty desks illustrate the effect of the January flu epidemic on attendance of students and teachers alike. A substitute teacher, Mrs. E. J. Dunn, faces the partially empty classroom of Mrs. Rosa Lee Sizemore.

Freshmen officers are (first row) Ray Kilgore, president; Linda Nunn, vice-president; Vicky Dyer, secretary; (second row) Em Edmunds, reporter; and Bob Barnes, treasurer. Wilmer Roark, sergeant-at-arms, was not present for the picture.

In the ninth grade, students begin taking a more active interest in high school life. Ninth graders join organizations, go out for sports, and take part in many other phases of Halifax County High School.

This year for the first time, underclassmen were eligible for the dramatic productions. Tryouts for the fall and spring plays were open to all students, not just juniors and seniors, as they have been in previous years. Several ninth graders appeared in the plays.

Being the largest class at H.C.H.S., the freshmen made many contributions to the school. One of these was their fall assembly "A Visit to a Southern Plantation." They also began something new by operating coat checking facilities at home basketball games.

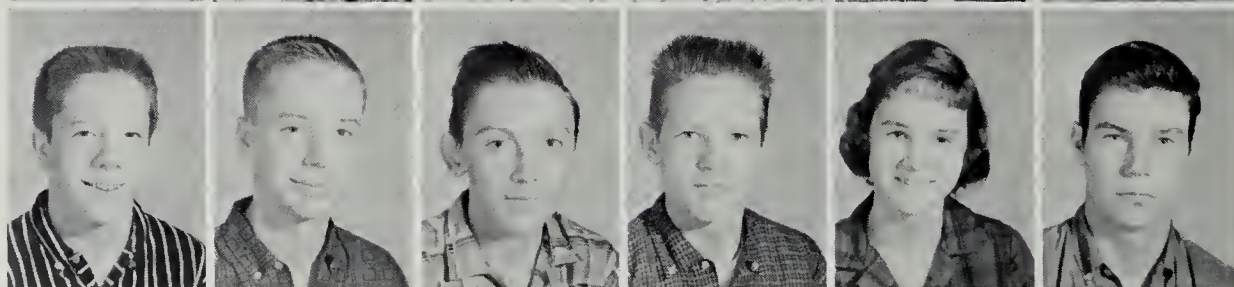

Sponsors of the freshman class are Miss Emilee Hines, chairman; Mrs. Vernie Bohannon, vice-chairman; Miss Mildred Henderson, recorder; Mr. Cary Blain; Mr. Carl Crews; Mr. Maynard Dalton; Miss Erna Glasscock; Mrs. Oakley Roberts; Mrs. Martha Thompson; Mr. Sylvester Whiton; and Mrs. Kathryn Wilson.

Halifax County had more than its share of snow this year. This picture shows H. C. H. S. during one of the heavy snow storms that created an unexpected school holiday.

"Around the World" was the theme of the 1959 Junior-Senior Prom. Nancy Cocke, Decoration Committee chairman; Dale Ramey; and Rawley Fuller put the finishing touches on the globe that gave the prom its name.

Eighth grade officers are (left to right) Janice Gravitt, secretary; Frank Booker, vice-president; Pam Gordon, president; Jerry Allred, reporter; Carol Bradshaw, treasurer; and Kenneth Morningstar, sergeant-at-arms.

The eighth grade, as the first year at H. C.H.S., provides an opportunity for the graduates of the nine county elementary schools to become acquainted and to begin to act as a class.

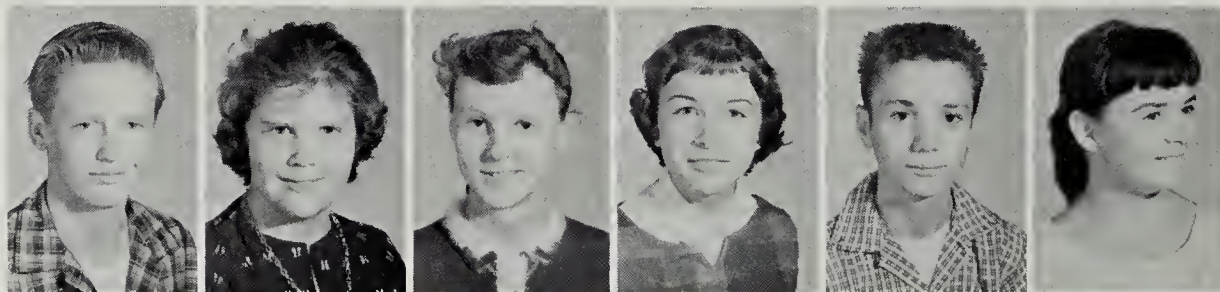

This year for the first time eighth graders earned scholastic credits toward graduation. This is a part of the new statewide high school curriculum. In previous years students in this grade have taken exploratory courses to help them plan their future studies.

The class began planning far ahead when it presented its enjoyable assembly program "Eighth Grade Gunsmoke." The proceeds will be saved to pay for the Junior-Senior of 1963. This assembly also provided an opportunity for the eighth graders to work together in a united group--a group that will continue to work together until graduation.

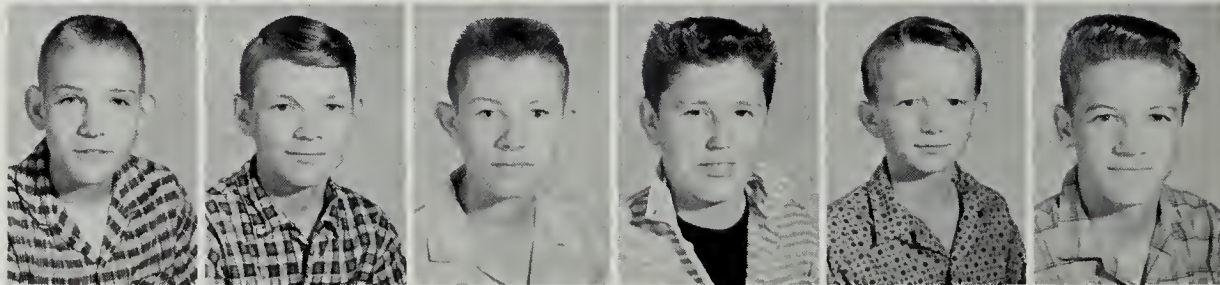

Eighth grade sponsors are Mrs. Freeda Akers, chairman; Mrs. Elizabeth Harding, vice-chairman; Miss Frances Howard, recorder; Miss Louise Baker; Mrs. Mary Davis; Miss Mary Jane Hawkins; Mrs. Ethel Holland; Mr. Willie Jones; Miss Lila Lorton; Mr. William Satterfield; and Miss Nancy Walker.

The Face of

SERVICE

Service Groups

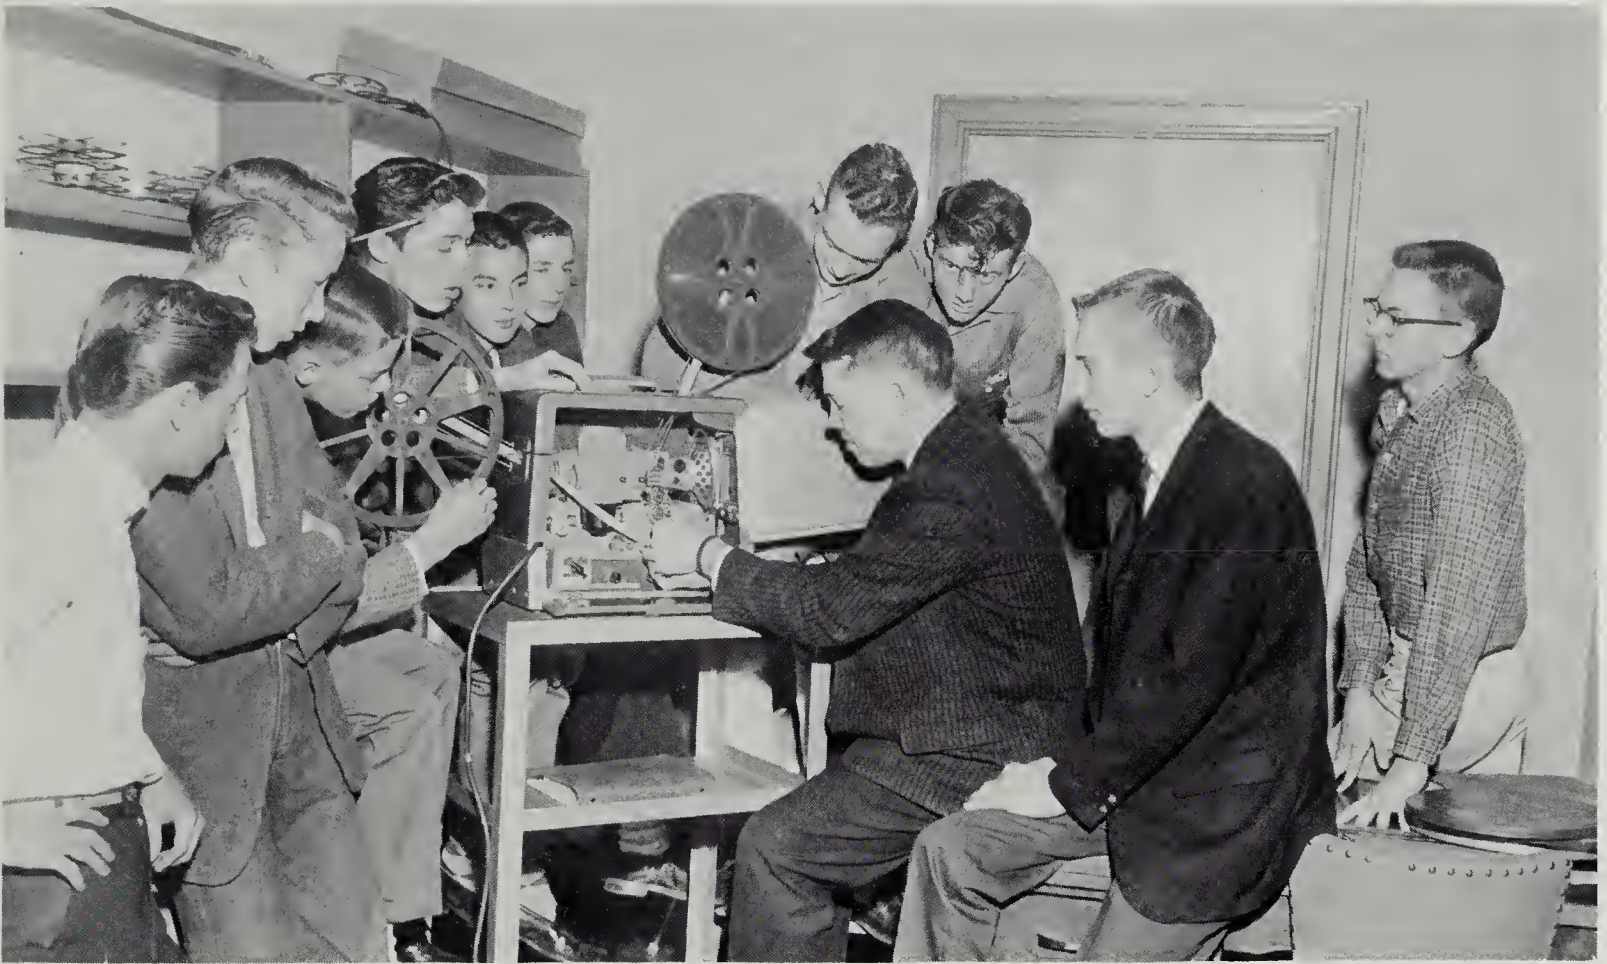

The desire of students to serve is a face of Halifax County High School. Without the help of willing students, many of the most important departments would be unable to function. These students work for little or no compensation--they are satisfied with the knowledge that they have served their school. Students drive the buses to school every day, and they aid staff members in the clinic, cafeteria, library, and office. Others act as hall monitors or work in the school store.

Student clinic workers are (seated) Nancy Bowman, Helen Sadler, (standing) Linda Martin, and Janice White.

Office training typists are (first row) Carolyn Watts, Hilda Reaves, Carol Conner, Linda Blount, (second row) Joyce Lacks, Dottie Crenshaw, Nancy Dunston, and Louis Cabaniss.

Student projectionists are Sammy Henderson; Wayne Stanfield; Wilmer Good; Jimmy Rutherford; Harvey Hazelwood; Thomas Martin; Lloyd Smith; Mr. William Satterfield, advisor; James Brenner; Philip Roark; and Clyde Morris.

Student library assistants are (first row) Chinkie King; Margaret Hall; Barbara Martin; Margaret Anderson; Frances Martin; Lynda Crews; Rachel Warren; Miss Frances Woltz, advisor; (second row) Roberta Mellor; Joyce McCulloch; Henrietta Perkins; Frances Loftis; Mary Lee Martin; Betsy Palmer; Nance Saunders; Jacqueline Tucker; Martha Jane Coates; (third row) Joanne Powell; Anne Warren; Jeanette Lacy; Nancy Moore; Mildred Bowes; Annie Mae Woosley; Dottie Milton; and Emily Atkins.

School store workers are Bernice Childrey, Freda Roberts, Edith Wilson, Larry Guill, Sara Long, Stuart Owen, Becky Wilborn, and Moncie Gibson.

Student cafeteria workers are Freddie Francisco, James Whitlow, Earl Saunders, Charlie Martin, Coy Terry, Wayne Holt, Joyce Fletcher, Joyce Seay, Joan Throckmorton, Ida Pulliam, and Jinks Overby.

Bus drivers are (first row) R. Glass, W. Solomon, D. Hudson, J. Puryear, L. Whitlow, P. Owen, S. Murray, P. Waller, E. Saunders, B. Moorefield, H. Throckmorton, J. Hughes, (second row) E. Owen, G. S.C.A.

If several high school organizations were selected which best exemplified the true spirit of co-operation among students, the S.C.A. would be one of those chosen.

By promoting the welfare of the school through co-operation among students and administration, good relations are acquired. Acting as the central organization for student discussion and action on school problems, ideas, and activities, this year's Council has promoted many projects beneficial to both school and community life.

Homecoming activities, which were S.C.A. sponsored, climaxed weeks of preparation by both students and teachers. Queen Millie McCannless reigned over the Homecoming festivities after being selected by student body votes.

December's Christmas Drive to obtain clothes and food for many needy families during the Yuletide season brought rewarding results since students reached and surpassed the monetary goal of \$150.

S.C.A. officers are (seated) Byrd Lacy, reporter; Lessie Spencer, secretary; Judy Traynham, treasurer; D. B. Patterson, vice-president; (standing) Louie Seabolt, president; Mr. L. Martin Gravely, advisor; and Clem Lowery, sergeant-at-arms.

Senior S.C.A. homeroom representatives are (first row) Wayne Lloyd, Philip Bailey, Belle Waller, Ann Schmidt, (second row) Dorothy Elliott, Iris Harding, Stella Marilla, and Dottie Crenshaw.

Junior S.C.A. homeroom representatives are (first row) Henry Weatherford, Vicky Ferguson, Betsy Patterson, E. T. Smith, (second row) Anne Terry, Rita Crews, Laura Benoit, Dorothy Guthrie, and Ronnie Marshall.

Sophomore S.C.A. homeroom representatives are (first row) Eddie Chappell, Crawford Peace, Lorraine McKinney, Janice Salley, Linda Ford, (second row) Katty DeJarnette, Karen Dance, Eva Gray Pulliam, Joyce Worsham, and Tommy Snow.

Freshman S.C.A. homeroom representatives are (first row) Shirley Hackney, Donna Ratcliff, Gayle Harmon. (second row) Anita Traynham, Elinor Carter, Joanne Bennett. (third row) Morty Miller, Allen Fuller, Royster Hedgepeth.

Any student who shows unusual character and good citizenship qualifications during school activities is eligible to receive the S.C.A. Citizen of the Month Trophy. These good citizens, selected by a secret committee, were Nancy Terry, Tay Wynne, Suzanne Kearse, Preston Owen, Elsie Farmer, E. T. Smith, and Dottie Jean Milton.

School dances, lunch line investigation, student monitor system, lost and found, and ball game concessions were several ways the Council fulfilled its responsibilities to the school.

S.C.A. President Louie Seabolt headed the Halifax County discussion groups at the District Meeting in Charlotte Court House and fourteen council delegates attended. Also ten Student Council representatives attended the World Youth Forum at John Marshall High School in Richmond to hear foreign exchange

Eighth grade S.C.A. homeroom representatives are (first row) Carolyn Blanks, Gayle Cunningham, David Speer. (second row) Rachel Shirley, Kit Campbell, Ricky Harrell. (third row) Janice Puryear, Kay Newton, Bill Younger and Bobby Gravitt.

students discuss the social habits and customs of their countries. At the State S.C.A. Convention at Longwood College in April, Halifax County was also represented.

One of the highlights of the Student Council's social calendar was the annual Topsy Turvy Week and Dance. Vicky Dyer and Billy Vanney were the surprised couple selected as King and Queen of the 1960 dance. The crowning climaxed a week of hard work for the girls as they ran, tagged, and worked for the boy of their choice.

The Student Council is composed of representatives from each homeroom and an executive board elected by the student body. Council meetings are called to order twice a month in the cafeteria to discuss school problems relating to the students, with each council member voicing his opinion and voting as he wishes.

One of the annual projects of the S.C.A. is to trim the tree for the Christmas Welfare Drive. This year \$197.50 was raised to aid the county's needy.

Honor Groups

Because of their outstanding ability in scholarship, character, service, and leadership, many students are tapped into the junior and national honor societies. Those students of the junior and senior classes become members of the National Honor Society and the pupils of the eighth, ninth, and tenth grades become members of the junior group. This is one of the highest honors offered a student at Halifax County High School.

In March the induction service for the new members of the National Honor Society took place in the gym. Only fifteen per cent of the senior class and ten per cent of the junior class could be taken in. This year twenty-seven members were chosen. These pupils have to maintain an average of 90.

Selling stationery is the money-making project of this honor group and profits go to

the buying of new robes for the induction ceremony next year. During graduation week the members serve as ushers and marshals. An annual picnic climaxes the year's events.

Members of the eighth, ninth, and tenth grades are eligible for membership in the Junior Honor Society if they meet the necessary qualifications of leadership, ability, good character, and service.

Over forty-nine honor students were inducted in March. Members of the J. N. H. S. must keep an average of 91.

During the year the members of the Junior Honor Society serve as guides for the college representatives on College Day. They also conduct tours for seventh graders on the annual Visitation Day. On the social activity calendar the society has a Valentine Dance.

Honor Groups

If a student is outstanding in the field of dramatics, journalism, or math, he may be qualified to become a member of a club designed to honor achievements in these fields.

Junior and senior journalists who are admitted to the Quill and Scroll receive the highest honor that high school journalists can achieve. Candidates must rate in the upper third of their class in general scholastic standing and must have done superior work for at least one semester in one phase of scholastic journalism. Candidates must also be recommended by the publications director and approved by Quill and Scroll.

Students who rate highly in the field of mathematics will probably be asked to join Mu Alpha Theta, the honorary math society.

To qualify for membership, a student must have two and one-half years of academic math and an average of 90 or above in all subjects,

including those taken in previous years. The club's purpose is to encourage a keener interest in mathematics, to develop sound scholarship, and to promote enjoyment of mathematics among students.

Each chapter of Mu Alpha Theta has one meeting each month in which problems concerning math are discussed. Mu Alpha Theta members are also required to have a math project.

Each year outstanding members of the Dramatics Department become Thespian Troupe members. To become a Thespian, one must have a total of ten points which are acquired by participating in at least two school productions. Membership is not based on acting alone, for admission is also based on other phases of play production. With each additional ten points, members become eligible for a Thespian Gold Star.

Mu Alpha Theta members are (first row) C. Cardwell, N. Cocke, T. Wynne, M. Weinhold, J. Worsham, R. Wall, R. Mellor. (second row) B. Lacy, M. Coates, P. Comer, K. DeJarnette, M. Holland, B. Forlines. The Haliscope

The HALISCOPE, the H.C.H.S. yearbook, strives to give the students a complete coverage of school events in pictures and words.

The yearbook includes a picture of each individual student and teacher here. A picture of the members of each club, along with their officers, is featured in a special section of the book. A sports section thoroughly covers the highlights of football, basketball, baseball, and track. A vital part of the HALISCOPE is its feature pages picturing memorable events of school life. This year there is an enlarged section showing classes at work; this is the real purpose of school.

Last year's HALISCOPE received a first place award in the Columbia Scholastic Press Association yearbook judging.

The yearbook staff, selected in the spring from applications submitted to Mr. Richard J. Fitz, faculty advisor, selects the cover design, chooses the theme, and nominates candidates for the dedication. The staff is composed primarily of seniors, but they are sometimes assisted by underclassmen. An innovation this year was the election by the popular vote of the staff of a chairman of the board of editors. This replaced the position of Editor-in-Chief.

The annual staff sold 750 subscriptions to the HALISCOPE this year, not quite reaching their goal of 800. The office training staff helped the HALISCOPE staff with the necessary typing.

First place--that is what the STAR, Halifax County High's student newspaper, won at the Columbia Scholastic Press Association's meeting last March in New York City. Representing the STAR at the meeting, which took place at Columbia University, were Nancy Cocke, Roberta Mellor, Sallie Anne Vaughan, Rebecca Wall, Tay Wynne, Eddie Royster, Bobby Satterfield, and E. T. Smith. These delegates attended meetings designed to help newspapers improve writing, make-up, layout, features, advertising, and circulation. While in New York, the representatives attended the opera, night clubs, and several Broadway plays.

Star Columnist are Matson Shiers, Laurie Hodges, and Paul Steube.

Norma Eudy is business manager and Eddie Royster is advertising manager.

The STAR is put out by the journalism and English 11-J classes, sixteen times a year, or every other week. In addition to the regular issues, an "Extra" edition was printed at the beginning of the year to acquaint students with the newspaper. The STAR covers all school activities and club news. It has three regular columnists, including the principal; and students' opinions may be expressed through the "Letters to the Editor" section and "Dr. I-Quiz 'Em," a regular poll of people's ideas concerning problems of the school.

As a feature of its regular issues this year, each journalism class puts out its own STAR, on different weeks. The stories were printed exactly as they were written, with the exception of spelling corrections, and the authors' names were shown at the end of their stories. Mrs. Dorothy Cheatham's office training classes typed all of the STAR's material. This was a task that was most appreciated by the paper staff.

At the end of its annual subscription drive, the STAR had netted 409 subscriptions; and every publication day it is sold in the lobby for 15 cents a copy. The STAR is read by not only students and faculty members but also their families, alumni, and the STAR's advertisers. This paper is the means of keeping the community informed of everything happening at H.C.H.S.

Glenwood Henderson is managing editor and Phil Bailey is sports editor.

Members of the STAR staff are (seated) E. T. Smith, B. Patterson, E. Royster, R. Rogers, J. Hoskins, P. Bradshaw, N. Arendall. (standing) B. Lacy, T. Wynne, S. Vaughan, N. Puryear, C. Wagstaff, S. Franklin, C. King, G. McKinney, C. Murray, E. Wilborn, B. Seamster, and R. Wall.

Choral Club

Because of the many activities in which it participates, the Choral Club is considered to be one of the most active groups at Halifax County High School.

Various changes were made in the Choral Club this year. For the first time there were separate musical groups for upper classmen. Membership in the Concert Choir was obtained by tryouts; and only this group participated in public performances. The Mixed Chorus sings mainly for pleasure.

The Christmas concert, which consisted of familiar Christmas and sacred music, was presented December 20. Included in this performance were performances by a girls' ensemble and a boys' quartet.

In complete contrast to previous years, Choral 8 wrote, organized, and staged a musi-

cal play almost by themselves. The name was "My Johnny Comes Home." Because this was a class project, it stimulated much more class interest in music.

Another first for this year's Choral Club was the production of "Pistol Packin' Sal," a modern hillbilly musical comedy. A total of ten songs were sung by the concert choir in this spring project. Many long, hard hours of work were put into this first musical in the history of the school.

Betty Byrd Gunn and Mary Berkley Green represented the Choral Club at the District VI All State Chorus in Wytheville, Virginia. They were chosen from twelve names sent in by Miss Massengill. In addition, at the District Festival, the Concert Choir walked away with an "excellent" rating.

Band

The lettergirls for the Comet Marching Band are Brenda Lacks, Donna Ratcliff, Virginia McLaughlin, and Joyce Hoskins.

H.C.H.S. saw the birth of a new band in 1959-60, when Band Director Sewell Bowers chose the thirty most advanced band students and placed them in a concert band. The "cadet" stage was replaced by the Marching Band, made up of seventy intermediate musicians.

Dubbed the "Band from Tobaccoland," the Marching Band performed at all home football games, and was invited to give a field show at Hampden-Sydney College's Homecoming football game. The towns of Halifax and South Boston welcomed the bands as participants in their Christmas parades.

H.C.H.S. played host to bands from throughout Virginia at two marching clinics conducted by Mr. A. R. Casavant, marching expert from Chattanooga, Tennessee.

Competition at the Dogwood Festival in Vinton, Virginia, climaxed the season. The

Marching Band, supplemented by Concert Band members, turned out in full strength as a class "A" band.

The Pep Band played at all home basketball games.

Christmas brought a Yuletide concert by the Concert Band. This group also provided the music for the "Lion's Roaring Revue for 1960."

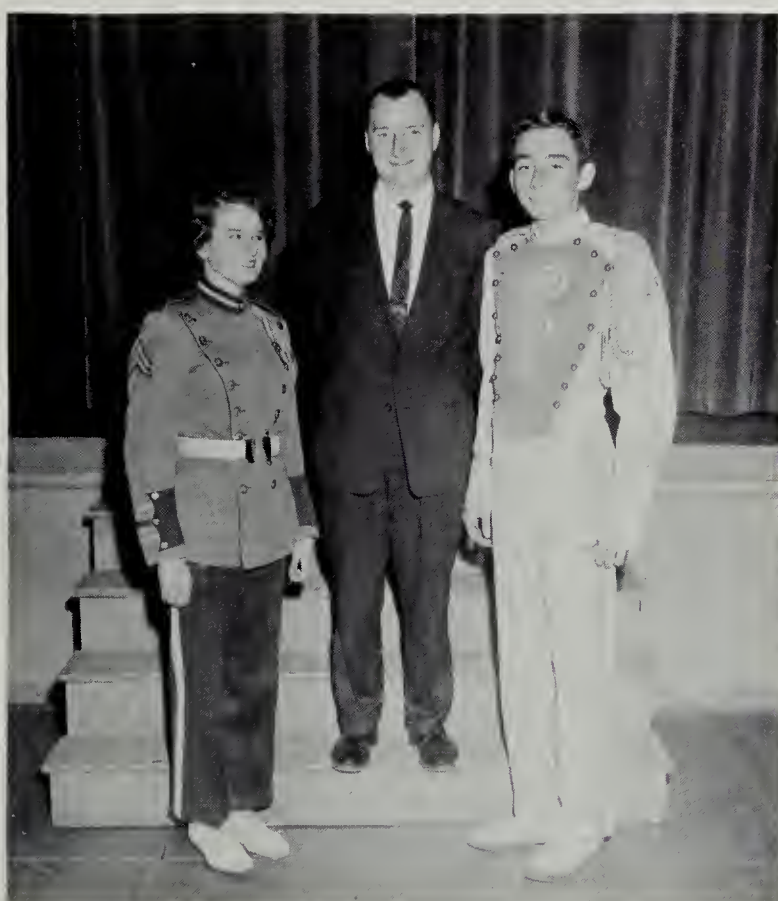

"Second Symphony for Band," a full symphony by the contemporary composer Frank Erickson highlighted the entire musical year. This forty-five minute opus represented eight months of work on the part of the Concert Band, and was presented at the Annual Spring Concert. The Spring Concert also featured the Marching Band playing, among others, Ravel's "Pavanne." The Beginners' Band also took its place in the limelight for the first time.

Highlighting the activities of the National Junior Classical League this year was the observance of Latin Week, which took place December 7-11. During this week, members of the League dressed in costumes that signified various events and characters in Roman mythology. The week was topped with a dance, of which the theme was "Cupid, God of Love."

The club also staged a Christmas program emphasizing the Latin Saturnalia, a Roman festival similar to a modern Christmas.

Two new ventures, a French publication and a National French Honor Society, were introduced to carry forth the club's purposes of furthering interest in the French language, nation, and culture.

During French Week, May 15-20, an exhibit of the national and local life in France was on display in the showcase in the lobby.

Spanish Club

Spanish Club officers are Glenwood Henderson, reporter; Dicky Walton, sergeant-at-arms; Chip Conner, secretary; Betsy Patterson, treasurer; Glen Hughes, president; and Iris Harding, vice-president.

To create a sense of unity and organization among its members is the main objective of the Spanish Club. Members carried out these objectives by constructing a new constitution and by having a Christmas Party.

The constitution was written to help students learn and appreciate the language of Spanish and was set up as a foundation for the club's operations.

The annual Christmas Party at the Sportsman's Club featured a "Pinata Contest" in which each different Spanish class participated.

During the monthly meetings interest in the language was promoted by having discussions on Spanish-speaking countries. Through these discussions a better knowledge of those nations was obtained.

Members of Spanish Club are (first row) M. Shiers, S. Duffer, J. Fallen, I. Harding, J. Elder, K. Hines, R. Fuller, (second row) J. Barbour, M. Coates, F. Kessee, J. Bass, L. McCormick, P. For its first year of full participation in forensics, the H. C. H. S. team made a fine showing. Although only ten students represented the school, the lack of participation had no apparent effect on the results.

Of the branches of forensics, (debate, prose reading, public speaking, and spelling), the debate team finished with the best record. Competing in several meets with Hargrave Military Academy, with Chatham High School, and with Western District Tournament teams, the debaters proved their ability. During the district finals at Roanoke College in Salem, Virginia, on the topic: "Resolved: That the United States should substantially increase its regulation of labor unions," both affirmative and negative sides tied with the E. C. Glass teams. Rejudged using a point system, only the affirmative team succeeded in winning the championship.

Dwight Greene captured the Western District Championship for prose reading. He, together with the affirmative debaters, Laurie Hodges and Paul Steube, attended the state contest in Charlottesville on April 29. In state competition Paul and Laurie placed third in Group I, while Dwight won fourth.

Debate team members are Laurie Hodges, Paul Steube, Bobby Satterfield, and Louie Seabolt.

F.T.A.

F.T.A. officers are (first row) Marie Murphy, secretary; Sandi Fralin, vice-president; Judy Traynham, president; (second row) Joyce Hoskins, treasurer; and Faye Rickman, reporter.

When one becomes a junior or senior, he usually has an idea as to his plan after the completion of his education. Members of the Future Teachers of America (F.T.A.) try to develop an understanding of the goals required to become a good teacher.

Discussing the pros and cons of teaching; viewing a movie, "A Desk For Billie"; serving luncheons for the Delta Kappa Gamma, a tea-

cher sorority; and attending the Halifax Education Association Banquet were some of the activities of the F.T.A. this year.

April was Teacher Career Month. All members receive a chance to teach, later to discuss their experiences and to plan a bulletin board. To climax Teacher Career Month, the F.T.A. members were honored by a tea given by Delta Kappa Gamma.

F.T.A. members are (first row) C. Wagstaff, J. Hoskins, M. Murphy, F. Rickman, L. Eanes, R. Rogers, (second row) S. Powell, M. Powell, F. Loftis, A. Walton, N. Cocke, N. Arundale, R. Wall, N. Science Club

Science Club officers are (first row) Phyllis Bradshaw, secretary; Joyce Hoskins, vice-president; Tay Wynne, reporter; (second row) Eddie Royster, treasurer; Jimmy Kelly, sergeant-at-arms; and Sonny Victry, president.

Probing the scientific world has led to many interesting hobbies for H.C.H.S. Science Club members.

At the annual Science Fair thirty members exhibited their science projects. Phillip Roark's therma-electrons won the top rating, while Sandi Fralin's accoustical phenomena, Garland Ricketts's heart-lung machine, and Robert Bagwell's project on radio waves received honorable mentions. Sandi's project

recieved an honorable mention at the state Science Fair in Charlottesville.

The Science Club, open to all students who are interested in science, chose "Scientific Vocations" as this year's theme. To carry out this theme, Mr. John Lawson from Burlington Mills spoke to the members on textiles while Mrs. Cynthia Warren, director of Health in Virginia, explained opportunities in the medical field.

Members of the Science Club are (first row) C. Howerton; V. McLaughlin; D. Ratcliff; B. Patterson; R. Rogers; L. Hodges; T. Wynne; (second row) T. Watkins; M. Craddock; P. Bradley; E. Royster; B. D. E. Club officers are (seated) Stuart Owen, president; Sarah Long, vice-president; Bernice Childrey, secretary; (standing) Becky Wilborn, treasurer; Sharon Smith, reporter; Richard Atkins, parliamentarian; and Moncie Gibson, advisor.

To prepare students for full-time employment in distributive occupations when graduated is the purpose of the Distributive Education Club. The D. E. Club, which is the largest in District XI, attended the District Convention in the spring where they participated in job interview, professional selling,

merchandise presentation, sales demonstration judging, and window display judging. The club also attended the state convention. This year, for the first time, D. That the Diversified Occupations Club has done much in 1959-1960 to further the education of many H. C. H. S. students is unquestionable.

Hazel McKane was awarded first place in public speaking at the State Convention as she triumphed over eight district finalists.

This nationally organized club encourages leadership and group participation for students interested in business. Any student taking one business subject is eligible for membership. At regular monthly meetings, members plan club projects and discuss present and future business practices.

In the regional meeting at Longwood College this year, the club won many honors. Henry Hubbard and Faye Rickmon placed first and second respectively in the Mr. and Miss F.B.L.A. Contest. In public speaking Faye Rickmon rated outstanding and Barbara Conner received superior on her essay. The club received outstanding on its scrapbook. F.F.A.

Mr. John W. Myers, Jr., assistant superintendent of Vocational Agriculture, is congratulating Mr. W. A. Hubble, Jr. and Mr. Paul Edmunds, Sr. on receiving their Honorary Chapter Farmer Awards.

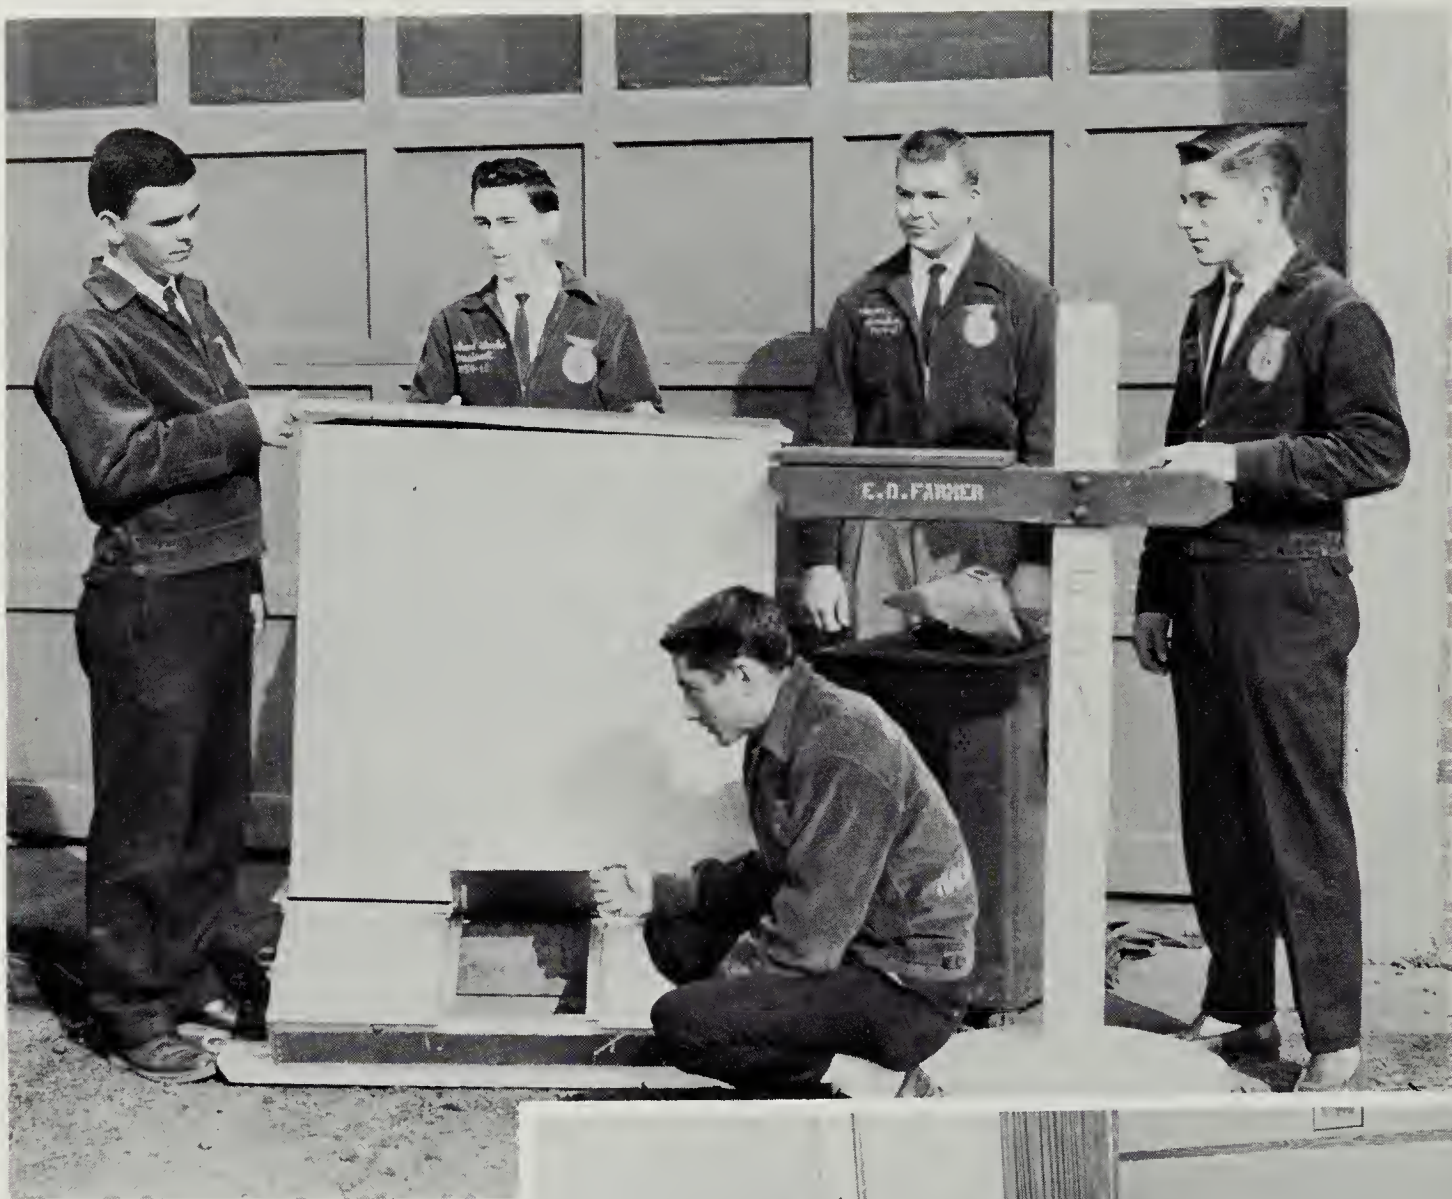

Although the Halifax County Chapter participates in numerous activities, the annual Father-Son Banquet highlights the year. Each member brings his father as his guest. This year Mr. Paul Edmunds, Sr. and Mr. W. A. Hubble, Jr. were given honorary chapter pins for their work with the local chapter. The guest speaker was John W. Myers, Jr., State Assistant Superintendent of Vocational Agriculture and a former teacher at H.C.H.S.

The H.C.H.S. chapter, which is the largest in the state of Virginia, won first and second place honors in the Southside Federation Forestry Judging Contest this year. Forty-two F.F.A. boys received awards in the Halifax County Fair and the H.C.H.S. chapter received a \$200 certificate at the Atlantic Rural Exposition. Ninety-three F.F.A. boys qualified for promotion as "greenhands," who are newcomers in the F.F.A. program of work. Chapter Farmer Degrees conferred upon thirty-seven FFA'ers climaxed agricultural achievements made by local members.

Officers of the F.F.A. are Louis Childrey, sentinel; G. W. Kersey, treasurer; Mason Ligon, secretary; Richard Lacks, president; A. B. Younger, vice-president; Kline Jones, reporter; and J. R. Cardwell, advisor.

Bryant Whitt, a participant in the F.F.A. Public Speaking Contest, is speaking to his class on "Conserving Our Soil."

Halifax County Chapter members receive much training for their future in agriculture. The Annual Tractor Driving Contest characterizes FFA'ers accomplishments in the operation of mechanical equipment. A registered heifer and Hampshire sow purchased by the H.C.H.S. Chapter present opportunities for starting livestock chains in which members may obtain registered stock.

Improved practices in production and marketing stressed in F.F.A. training encourages the administration of improved agricultural techniques. Training in raising livestock and crops, along with the judging of both, is among classroom work. A fire-fighting demonstration sponsored by the Fireman's Training School was featured at a special Chapter meeting. Farm and home safety play an important part in farm training and the F.F.A. enters annually a report on farm safety to the Vocational Educational Department.

Forestry is another major area of F.F.A. learning. The study of farm forestry includes estimating the board feet and the cubic feet of standing trees, identifying trees, and planning a management program for a woodland.

Social activities included in the F.F.A. program are a Valentine's Dance, which the chapter co-sponsors with the F.H.A., and a spring picnic. Many of the local members attended the State F.F.A. Convention and the State Fair.

David Powell, Jackie Anderson, and Nick Nichols plant pine trees, an annual project of the F.F.A.

At the annual Baby Beef show, Mr. R. A. Leggett purchases the Grand Champion Baby Beef from Tommy Snow.

David Medley, Tommy Snow, and L. C. Fisher receive F.F.A. Forestry Awards presented by Mr. Paul C. Edmunds, Sr., for Blue Ribbon Creamery.

F. H. A.

F. H. A. officers are Linda Williams, historian; Sue Bowman, treasurer; Judy Dunkley, secretary; Nancy Bowman, vice president; Marion Guthrie, reporter; and Faye Rickmon, president.

Participating in school and community projects, the 155 Future Homemakers of America have been greatly recognized this year. They have walked away with top honors in the local F. H. A. chapter and also in the Charfax Federation.

Winning some of these honors this year has been a habit with industrious Stella Marilla, who was chosen as the 1960 Betty Crocker Homemaker of Tomorrow.

Stella Marilla, winner of the Betty Crocker Homemaker of Tomorrow Award at H. C. H. S. demonstrates her talent by whipping up a cake.

Sharing the spotlight with Stella are the five members who were presented the F. H. A. Girl of the Month honors. They were Sandra Austin, Linda Williams, Nance Saunders, Judy Dunkley, and Doris Martin.

The F. H. A. has served to its fullest capacity this year in helping make the school, community, and nation, better places in which to live.

One of the functions of the F. H. A. is to supply the local hospital with Nurses' Aides. Nance Saunders is receiving a magazine from Patricia Phillips.

FRANKLIN COUNTY: In the season opener, the Comets blasted Franklin County by a score of 32-6. Dale Ramey, the star half-back, scored three touchdowns and two extra points, which proved in itself enough to defeat the Eagles.

BLUESTONE: The Comets ran into some unexpected trouble at Bluestone during their second game. However, the Comets outclassed them and went on with the help of touchdowns by Hugh Haley and Dale Ramey to defeat Bluestone by a score of 12-0.

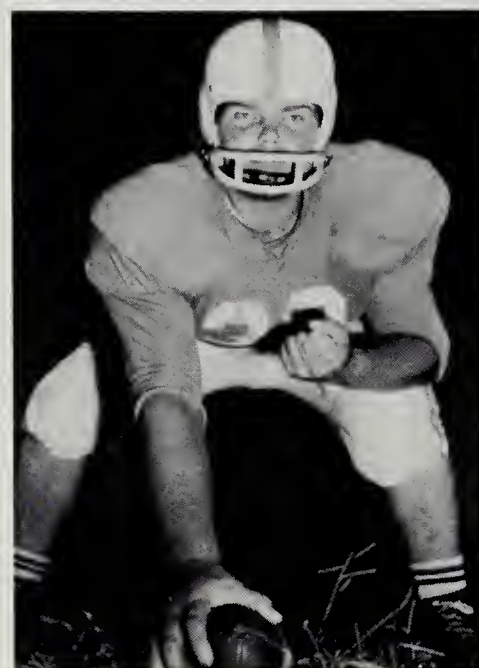

ROXBORO: The first loss of the season came on September 18 in a penalty-riddled game against Roxboro on the Rockets' home field. The quick lead gained by the Rockets and the penalties suffered by the Blues proved too much for the Comets as they came out on the short end of a 26-13 score.

GEORGE WASHINGTON: On September 25, the Comets' scored their first Group 1 victory as they defeated arch-rival, George Washington in Danville. Dickie Walton and Dale Ramey both scored touchdowns to give the Comets a 12-0 victory over G. W. A great defensive game was played by the Comets and the passing of quarterback Louie Seabolt proved fatal to the Cards.

HILLSBORO: Dale Ramey, scoring three touchdowns and Hugh Haley scoring two touchdowns and two extra points, led the Comets to their fourth win of the season by defeating Hillsboro High's Wildcats. The Blues, entering the game as underdogs, used a speedy offense and a strong defense to defeat the Wildcats by a score of 33-14.

V. E. S.: Even after getting off to a slow start, the Blue Comets went on to defeat Virginia Episcopal High, 20-7. Scores by Dickie Walton, Dale Ramey, and Louie Seabolt gave the Blues their fifth win of the season as opposed to only one defeat.

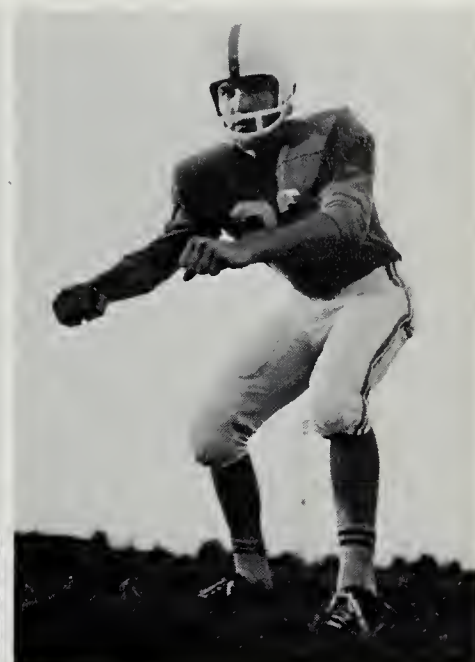

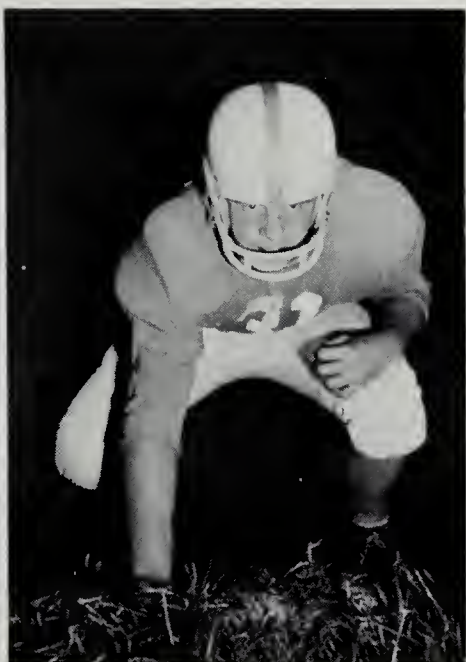

BLACKSBURG: Although the Big Blues played an excellent second half, the Indians of Blacksburg used a strong first half to edge by the Comets by a score of 14-13. This was only the second loss suffered by the Comets, who had already posted the best record so far at H. C. H. S.--5-2.

ANDREW LEWIS: Dale Ramey scored five touchdowns and ran his season total to 98 points during the rout of Andrew Lewis. Ramey, playing his best game of the season, ran over, around, and through the Wolverine defense to keep the Comets out front all the way.

DREWRY MASON: Ramey, with 27 points and running his season total to 125 points, was the workhorse in the 40-12 romp over Drewry Mason High. With the line dodging as well as it did and the backs running excellently, the Spartans were hardly a match for the Comets.

Substitute linemen are (first row) Marion Henderson, Clem Lowery, Louis Hudson, James Wilkerson, David Hudson, Tim Cates, Ryland Barton, (standing) C. J. Hudson, Charles Daniels, and Terry Hoy.

Backfield substitutes are Ronnie Keatts, Terry Lindley, Rawley Fuller, Charlie Cole, Carlton Lacks, Mike Cates, and Ray Kilgore.

Mr. Art Weiner discusses with Mr. Boyd Cates, Booster Club president, his old days as an All-American end for the University of North Carolina.

Twenty-three members of the football team received letters at the annual Booster Club Banquet, November 24. Approximately 350 people, probably the largest crowd ever to attend the football fiesta, filled the cafeteria to hear former All-American Art Weiner and to see the awards presented. "To succeed in athletics, you must really be ready to pay the price," said the former University of North Carolina end. Mr. Weiner told the local football boys to de-emphasize major sports and to take up sports such as golf, tennis, swimming, or dancing in which they could participate in the future. After presenting Mr. Weiner, Master of Ceremonies Bob Cates introduced coaches Bill Arrowood and Bob Merritt, who announced the lettermen. Mason Ligon received the honor of being the most spirited Comet, while Dickie Walton was chosen the best tackler. Fullback Hugh Haley was voted the best blocker on the 1959 squad.

Varsity Cheerleaders

Becky Spears
Head Cheerleader

The varsity cheerleaders put in many long hours for the football and basketball games this year. They started the football season by painting the home goal-posts blue and white. In December the cheerleaders participated in the annual Virginia Cheerleading Contest in Richmond. This was the first time that H. C. H. S. has been represented in this contest.

One of the highlights of the 1959-60 cheerleading season was the trip to Charlottesville for the state basketball tournament.

Before each game, the cheerleaders displayed banners and posters to advertise the games. They devised clever stunts to make each game an original one. Also before each home game, the cheerleaders wore their uniforms to school to further publicize the game.

The cheerleaders for the following year are chosen in the spring to allow enough time to prepare for the next year.

Varsity Cheerleaders are (outer circle) Myrna Powell, Laura Benoit, Clara Forlines, Iris Harding, Gail Owen, Becky Spears, (inner circle) Judy Traynham, Betsy Patterson, Sallie Ann Vaughan, Thelma Hackney, Meredith Carter, and (center) mascot Betty Houghton.

Junior varsity cheerleaders are (kneeling) Margie Edmunds, Nancy Woltz, Nell Lacy, Patricia Patterson, Joyce Worsham, (standing) Joanna Chaffin, Elinor Carter, Katty DeJarnette, Bruce Wilborn, Linda Loftis, and Gayle Harmon.

J.V. Cheerleaders

A very important part of the junior varsity football and basketball squads is the junior varsity cheerleading squad. These girls were on hand at almost every game to add to the pep of the crowd.

They made up witty songs which pleased the crowds that came to see the J. V. games. This year, the Junior varsity cheerleaders bought new uniforms for the basketball season.

In the spring the J. V. cheerleaders are chosen by the varsity cheerleaders and their sponsors. They are judged on their jump, voice quality, appearance, motions, and attitude.

Season Highlights

FRANKLIN COUNTY: The Halifax County High School Blue Comets defeated Group II Franklin County in the season's opener there. Behind a strong third quarter and the rebounding of Chip Conner and Billy Morningstar, the Comets smashed the Eagles, 72-44. Chip Conner was the game's high scorer with 20 points.

ANDREW LEWIS: The Wolverines were unable to keep the Comets from scoring a 66-30 final score. Despite the height dis-

advantage, the Comets captured a surprisingly easy Group I win. Wayne Lloyd was top scorer with 13 points.

E. C. GLASS: The Comets were never topped after taking a 3-2 lead in the opening minutes of play against the Hilltoppers at Lynchburg. From the beginning, they dominated play to capture a 59-38 win. The Hilltoppers were unable to overcome the Comet's shooting superiority. Center Chip Conner was high scorer with 16 points.

ROXBORO: With Chip Conner scoring 19 points, the Comets defeated the Rockets 72-47 in Roxboro, N. C. The Rockets did not move offensively as fast as the Comets, but their ball-hawking slowed the Comet's fast pace down.

FRANKLIN COUNTY: After a sluggish first half, the Comets won out over the Eagles 56-49. The Eagles stunned the Comets, which was playing its first game after the Christmas holidays, as they jumped off to a 38 to 28 halftime lead. Chip Conner, who was high scorer with 27 points, led his team back to victory in the last half.

GEORGE WASHINGTON: Chip Conner scored 20 points as the Comets defeated the Cardinals 52-50. Conner and Bobby Wilborn sparked the Blue Comets in what turned out to be a very close ball game. Wayne Duncan, the tall G. W. forward, led his team in scoring and tied Conner for high man with 20 points. The two point victory gave the Comets six consecutive wins over the Cardinals, and their sixth win of the season.

WILLIAM FLEMING: In their first home game since December 1, Halifax County defeated the Colonels of Roanoke by a score of 66-42. Chip Conner and Billy Morningstar led the Comets with 19 points each. The third quarter produced the best basketball. Both teams were accurate in their shooting and good on defense. However, the Comets outscored the Colonels by two points in this period to go ahead by 11 points.

E. C. GLASS: Bobby Wilborn hit three consecutive baskets in the third quarter to spark the Comets to their second straight win over the Hilltoppers. With a record crowd of 2,300 people at the H. C. H. S. gym, the Comets defeated the defending state champions by a score of 51-42. Wilborn was the high scorer with 14 points.

PETERSBURG: The Halifax County Comets made it nine wins in a row when they defeated the Crimson Wave, 83-59. After a tight first quarter, the Comets literally outshot the tiring Wave. Chip Conner was the game's high scorer with 27 points.

JEFFERSON SENIOR: After a sluggish first half, the Comets overcame the Magicians lead and went on to win, 47-33 with Chip Conner being the game's high scorer with 17 points. The Magicians were well prepared for the Comets making them give their worst performance to date.

WILLIAM FLEMING: With the Comets jumping off to an early lead, the Colonels were unable to stop the Comets from winning, 70-54. Billy Morningstar led 24 points. This was the Comets' eleventh consecutive victory in 11 starts.

HAMPTON: The Comets easily defeated the sluggish Crabbers by a score of 73-41. Wayne Lloyd was the game's high scorer with 18 points. The Comets "Big 5" took an early lead and then left the floor in the last few minutes of the first period to give the reserves a chance. The Crabbers were unable to stop the Comets' offense and red-hot defense.

GEORGE WASHINGTON: Despite a slow start, the Blue Comets defeated the Cardinals, 54-42. After a tight first half, the Comets came back in the last half to win. With Billy Morningstar as high scorer with 15 points, the Comets won their 13th straight win in 13 starts, and their seventh consecutive win over G. W.

ROXBORO: The Comets defeated the Rockets, 68-51, with Chip Conner taking the high scoring honors. Conner netted 27 points. After a tight first half, the Comets came back in the third quarter to win.

JEFFERSON SENIOR: With Chip Conner dumping in 35 points for a new school record in Roanoke, Halifax County defeated the Magicians, 64-45. The Comets' fast break was clicking soon after the initial tip, and H. C. H. S. doubled the score several times in the second quarter.

R. J. REYNOLDS: The Comets showed their strength by defeating the Black Demons from Winston-Salem, 76-54. The tall Black Demons provided the Comets with one of the season's closest games. Richard Herring of R. J. Reynolds was the game's top scorer with 30 points followed by Chip Conner with 23 points.

ANDREW LEWIS: With a score of 85-64, the Comets closed out its regular Western District schedule by defeating the Wolverines. In the second and third quarters, the lead changed hands several times even though the Comets led by three points at halftime. Wolverine Bobby Robinson was high for the game with 29 points. This victory gave the Comets a 10-0 record in Group I competition and the regular season championship.

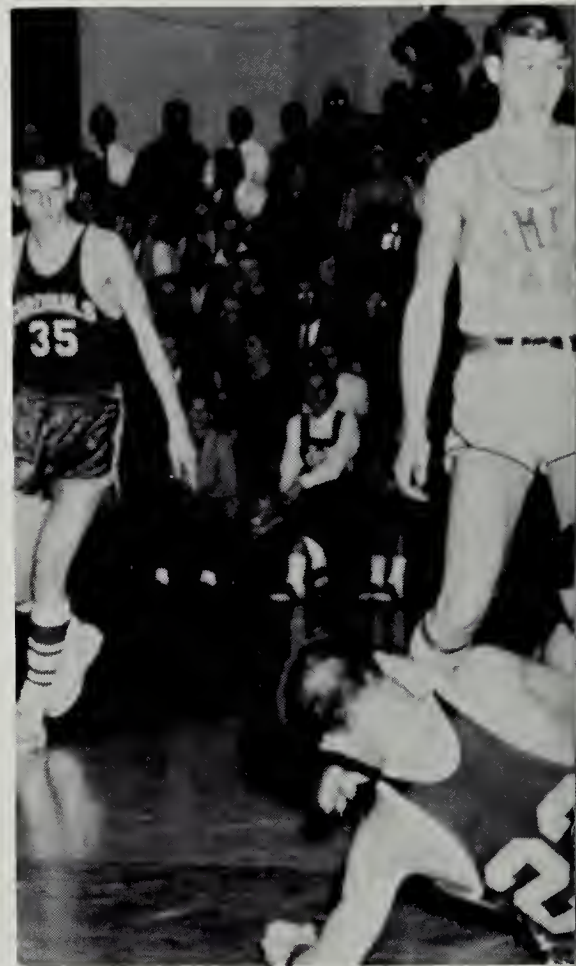

PETERSBURG: The H. C. H. S. Comets ran into a fired-up Crimson Wave as they lost their first game of the season by 60-47 at Petersburg. The Crimson Wave led most of the game, and they pulled decisively ahead in the fourth quarter. Chip Conner was the game's high scorer with 19 points.

HAMPTON: The last game of the regular season play proved to be more than the Comets bargained for as the Crabbers defeated H. C. H. S. 50-49 in the final second of play at Hampton. With a free throw in the final second of the game, the Crabbers gave the Comets their second defeat of the season. Jerry Nichols of the Crabbers was high scorer with 24 points.

Halifax County's Thomas Garrett gets a valuable hit as the Comets defeat G. W., 6-0.

The winning float in the Homecoming parade was sponsored by the STAR. Rain during the parade turned the paper napkin icing on the cake into a soggy mixture.

The Queen's float, beautifully decorated before the rain ruined it, was sponsored by the cheerleaders. Because of the rain, the Queen was unable to sit in the huge pink sea shell surrounded by an ocean of waves.

School Chooses Millie McCanless As Homecoming Queen of 1959

Alumni from the four corners of Halifax County and from points beyond returned to H.C.H.S. on October 23 for the Homecoming celebration that included a parade, a football game, a coronation, and a dance.

The celebration was somewhat dampened by the downpour of rain that began early in the afternoon and continued through the game. In spite of the weather, the parade was held as scheduled in Halifax. Although the ten floats entered in this, the first Homecoming Parade, were rather soggy, their themes were still vivid. The winning float, entered by the STAR, was a three-tiered cake made of 800 white paper napkins stuffed into chicken wire. The six candles on the cake represented the six classes which have graduated. The slogan on the side of the float welcomed alumni with "We Knew You Were Homecoming So We Baked A Cake."

Many loyal fans watched the Comets literally slosh to a 14-7 victory over the Bassett Bengals.

Millie McCanless, Homecoming Queen, was crowned by Principal J. Marshall Swanson at the Homecoming Dance. Also honored at the dance were Princesses Dottie Crenshaw, Sandra Beale, JoAnna Chaffin, Nance Saunders, and Janice Gravitt.

Class and SCA Elections Highlight Year for Halifax County Politicians

Only a few votes made the difference between the officers and also-rans in elections this year. With blazing banners, eye-catching posters, and vote-pulling slogans, the student politicians tried their best to influence voters.

The first elections of the school year were the class elections. After a week-long campaign, students in each grade went to the polls and elected their own president, vice-president, secretary, treasurer, reporter, and sergeant-at-arms. In February students went to the polls again, this time to select the six Student Council officers who will represent the entire student body next year.

While the student body and class elections received most of the publicity, democracy was also at work throughout the school in homerooms, clubs, and classrooms.

Elections teach sportsmanship and develop character as the voters learn to choose the candidate who is best qualified, not the one who is most popular.

Juniors cast their ballots with homeroom teachers in the class elections.

Bill Younger is caught between the campaigning of S. C. A. presidential candidates, D. B. Patterson and Byrd Lacy. Byrd won the election.

Meredith Carter was the successful candidate for Junior Class secretary. In the spring she was also elected S. C. A. secretary.

Campaign speakers often try a stunt to capture the votes of students. As he made his speech, Clem Lowery baited a hook and claimed he was "fishing for votes."

The lobby is always a favorite place for campaign posters. This year the posters showed unusual ingenuity and neatness.

Two Major Productions Brought Joy, Suspense to Local Theater-Goers

"Antic Spring" cast members were (first row) Patricia Patterson, Randy McDowell, Elinor Carter, (second row) Jimmy Chaffin, Phyllis Jane Bradshaw, and Mickey Vanney.

Players in "Why I Am a Bachelor" were Shelby Lowery, Meredith Carter, Sharon McGhee, Mary Pickett Craddock, Nancy Cocke, and Alex Speer.

Participants in "Overtones" were Sallie Ann Vaughan, Anne Bailey, Becky Spears, and Brenda Cavanaugh.

In the fall production of "Fair Exchange" were Paul Steube, Chinkie King, Dale Ramey, Ginger McKinney, Byrd Lacy, Barbara Tillman, Henry Weatherford, and Brenda Cavanaugh.

A major change took place in the Dramatics Department this year when neither a junior nor a senior play went on stage. Instead, students from all grades participated in a spring and a fall production. The plan worked well, since many underclassmen took part in both productions. With this plan, there is a chance for underclassmen to obtain as much as five years acting and staging experience. This year they helped to create more student interest in the plays.

There was more attention focused on achieving variety in the types of plays presented. A suspense drama, a psychological drama, an illustrated lecture, and a teenage comedy were staged during the year.

"Fair Exchange," presented in November, was the first production of the year. This three-act melodrama dealt with the exchange of students from two high schools and a criminal who became involved. Proceeds from this play went to the Junior Class and the Dramatics Department.

In April three one-act plays comprised the spring production. The Senior Class and the Dramatics Department received the proceeds from these plays. "Overtones" was a psychological drama in which two women met after not seeing each other for many years. Through out the play their inner-selves battled and revealed the true feelings of the women. By making comparisons, a lecturer in "Why I'm a Bachelor" showed why he would never marry. This comedy was very funny and typical. "Antic Spring," a teenage comedy, expressed the emotions and actions of teenagers from thirteen to seventeen. The teenagers were at a picnic where many ridiculous, but funny incidents occurred.

"Overtones" was H. C. H. S.'s entry in the district play festival in Pulaski, where it received a superior rating.

In the Junior Assembly, Henry Weatherford pantomimed an Al Jolson record.

A satiric face was shown by students in their assembly programs as three classes presented satires of television shows. The Junior Class gave "The Arthur Murray Dance Party"; the sophomores, "The Jack Parr Show"; and the eighth grade, "Eighth Grade Gunsmoke." Other assemblies were the Senior Class's "Baby Show" and the freshmen's "Old Fashioned Minstrel Show".

In addition to providing dramatic experience, assemblies raise money for class projects.

Class Assemblies Give All Students Chance To Show Talent, Make Money

No, it isn't Elvis Presley. It's Kent Mills in the Junior Assembly doing a rendition of Elvis's hit tune "Hound Dog." Kent is backed by Paul Daniels, piano; Billy Franklin, saxophone; and Bobby Clark, drums.

The Hines twins (Glen Hughes and Chip Conner) sang (off key) "Old McDonald Had a Farm" during the baby show in the Senior Assembly.

Joyce Hoskins as hostess on the "Parthur Murray" dance party, the Junior Assembly, interviews noted hipster musician, Sewell Bowers.

Barbara Tillman and Gerald Tudor, doing the cha-cha, won the dance contest in the Junior Assembly.

Mothers cheer their babies on in the milk drinking contest, highlight of the Senior Assembly. Baby Louie Seabolt (second from right) was the winner in the contest.

The death of a high school student
is sad not only for his family
and friends
but also for his fellow students.
This was certainly true in the death of Bobby Clark,
the Halifax County junior
who fought so hard for his life.
We followed his daily progress.
We observed
and admired the bravery and fine spirit
which he maintained
throughout his long illness.
Whether playing the drums
in the Comet Band
or building props for the Junior-Senior Prom,
Bobby illustrated the school spirit
which made him
an outstanding citizen and a popular student.
We shall not soon forget him.
